

**VINVENTIONS**  
Complete Closure Solutions

**JOB OFFER:  
SYSTEM ANALYST (M/F)**

As the most comprehensive provider of closure solutions worldwide, Vinventions' "House of 7 Brands" includes a portfolio of seven product and services brands designed to support the diverse requirements of still and sparkling wine producers across six continents.

Vinventions strives to provide closure solutions that maximize performance, design and sustainability, thanks to its uniquely innovative brands that span every major closure category including Nomacorc PlantCorcs™, Ohlinger natural corks, Vintop and Alplast screwcaps and Syntek synthetic closures.

The performance of Vinventions' product brands are further enhanced by Wine Quality Solutions which include enological devices, equipment and services that improve the quality and consistency of wine through real-time quality control.

Vinventions' Wine Marketing Solutions bring a scientific approach to the art of wine marketing with services including neuromarketing, brand promotion programs, packaging design support and consumer research.
